# What is Scopia

## High Definition on your computer

Enjoy High Definition video conferencing straight to your laptop or desktop computer.

HD 720p

## Share Presentations and Desktop

Share PowerPoint, or any other application that runs on your desktop with other participants in a meeting.

## Simple, fast installation

Download, install, and be ready to go within minutes. Works anywhere you can find broadband internet access.

2 min

## Moderate meetings

Moderator options make for a smoother, more productive video conferencing experience.

## User account

| Create new account | Log in | Request new password |

AVCC encourages users to use their work email address. This helps us identify you as an eligible member for the KAREN Video Conferencing Service Membership is restricted to Australia and New Zealand. Upon completion of this form AVCC will personally approve your account details. Once approval is complete you will be automatically sent an email containing a link to follow which will authenticate your account. You can change your password once you log in to the website.

**Account information**

**\* Username:**

Spaces are allowed; punctuation is not allowed except for periods, hyphens, and underscores.

**\* E-mail address:**

A valid e-mail address. All e-mails from the system will be sent to this address. The e-mail address is not made public and will only be used if you wish to receive a new password or wish to receive certain news or notifications by e-mail.
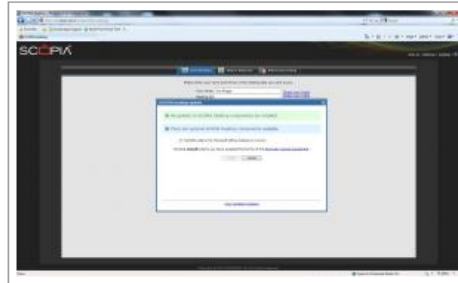

**\* Confirm e-mail address:**

# Outlook

## Outlook Plugin

For subscribed users of the KAREN Video Bridge, there is a plugin that can be installed that integrates into Microsoft Outlook 2003/2007/2010. To download and install the plugin simply:

- go to http://sds.karen.net.nz in your internet browser and click on the Update link at the top right corner.
- Select the tick box for the Scopia Add-in for Microsoft Office Outlook and click install.
- Restart or Open Outlook to start using and configuring

| Start time: | Sun 28/08/2011 | 4:30 p.m. | ☐ All day event | |
| End time: | Sun 28/08/2011 | 5:00 p.m. | | |

You have been invited to attend a SCOPIA Meeting. At the time of the meeting, please choose an access method described below:

Desktop Link:
To connect from your desktop using Windows or Mac, go to http://sds.karen.net.nz/scopia?ID=623833***1428&autojoin

We recommend you install the desktop client beforehand. To install the client, go to http://sds.karen.net.nz/scopia?client

To test that your software and hardware are setup correctly beforehand, visit our AVCC Test Room at http://sds.karen.net.nz/scopia?ID=6222&autojoin

H.323 dial-in:
To connect from an H.323 Endpoint, please dial 130.195.23.14 to connect to the bridge directly, or 130.195.23.21 if you are behind a firewall.
Enter the corresponding number to the left of your meeting name in the navigation menu using Touch Tones (DTMF), or press 0 and enter: 623833***1428 following by #

Phone dial-in:
To connect from a telephone, please dial the following access number: +64 4 499 8283. When prompted for a meeting number, enter: 623833***1428 followed by #

NB: Usual tolls will apply
NB: This meeting will become available to join on the Bridge 10 mins prior to the start time.

If you are experiencing difficulties connecting, please contact AVCC Helpdesk on 0800 666 889 or at helpdesk@avcc.net.nz

# Booking a Meeting

# Joining a Meeting

# Scopia Interface

# English Language Learning

## Aim:

Increase in the English Language Presentational Skills of Japanese Tutors in Conversational English.

## Blend of Delivery

1. Face-2-Face at Wintec
2. Online asynchronous using Moodle
3. Online synchronous using Scopia

# Midwifery in Practise

Aim:

To increase the communication in Midwifery placements

Proposed Solution

Out of class sessions to be scheduled

- Between Workplace Co-ordinator and Wintec staff member.
- Between student on placement and Wintec staff member.
- Between all three

# Library Support

Aim:

To provide information on library support services to distance post graduate health students

Solution

Online asynchronous using Lib-Guide

Online synchronous using Scopia to Bay of Plenty DHB
